

Townsend

Plan No. 272

1636 SQ. FT

Open living/dining area, utility room, impressive foyer, large kitchen with convenient desk.

Mayfield

Plan No. 274

2156 SQ. FT.

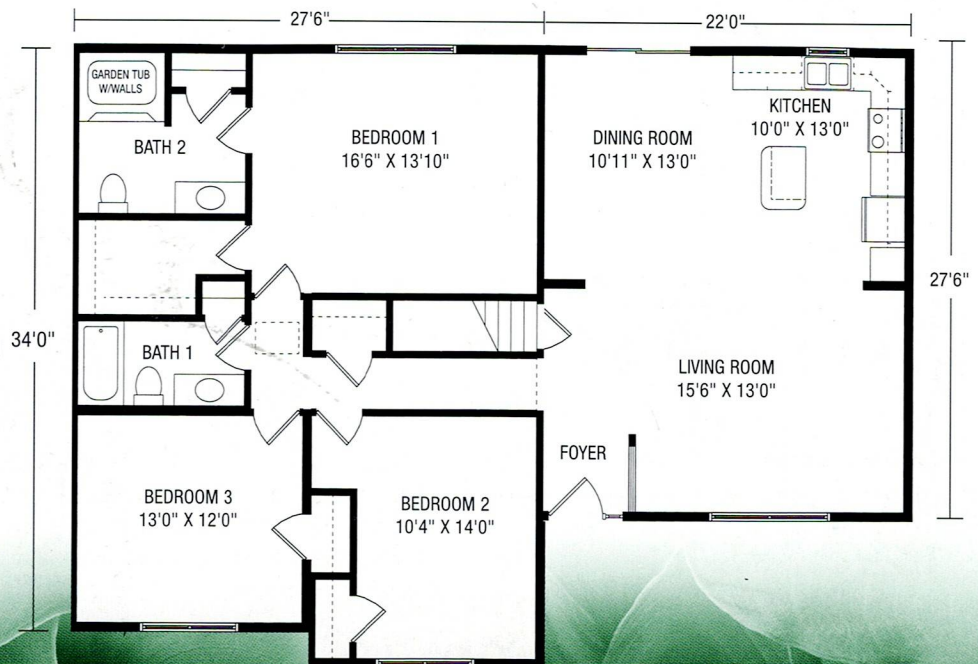

Master bedroom suite with adjoining bath, plus two additional bedrooms and full bath make this home a winner.

Quincy

Plan No. 425

1567 SQ. FT.

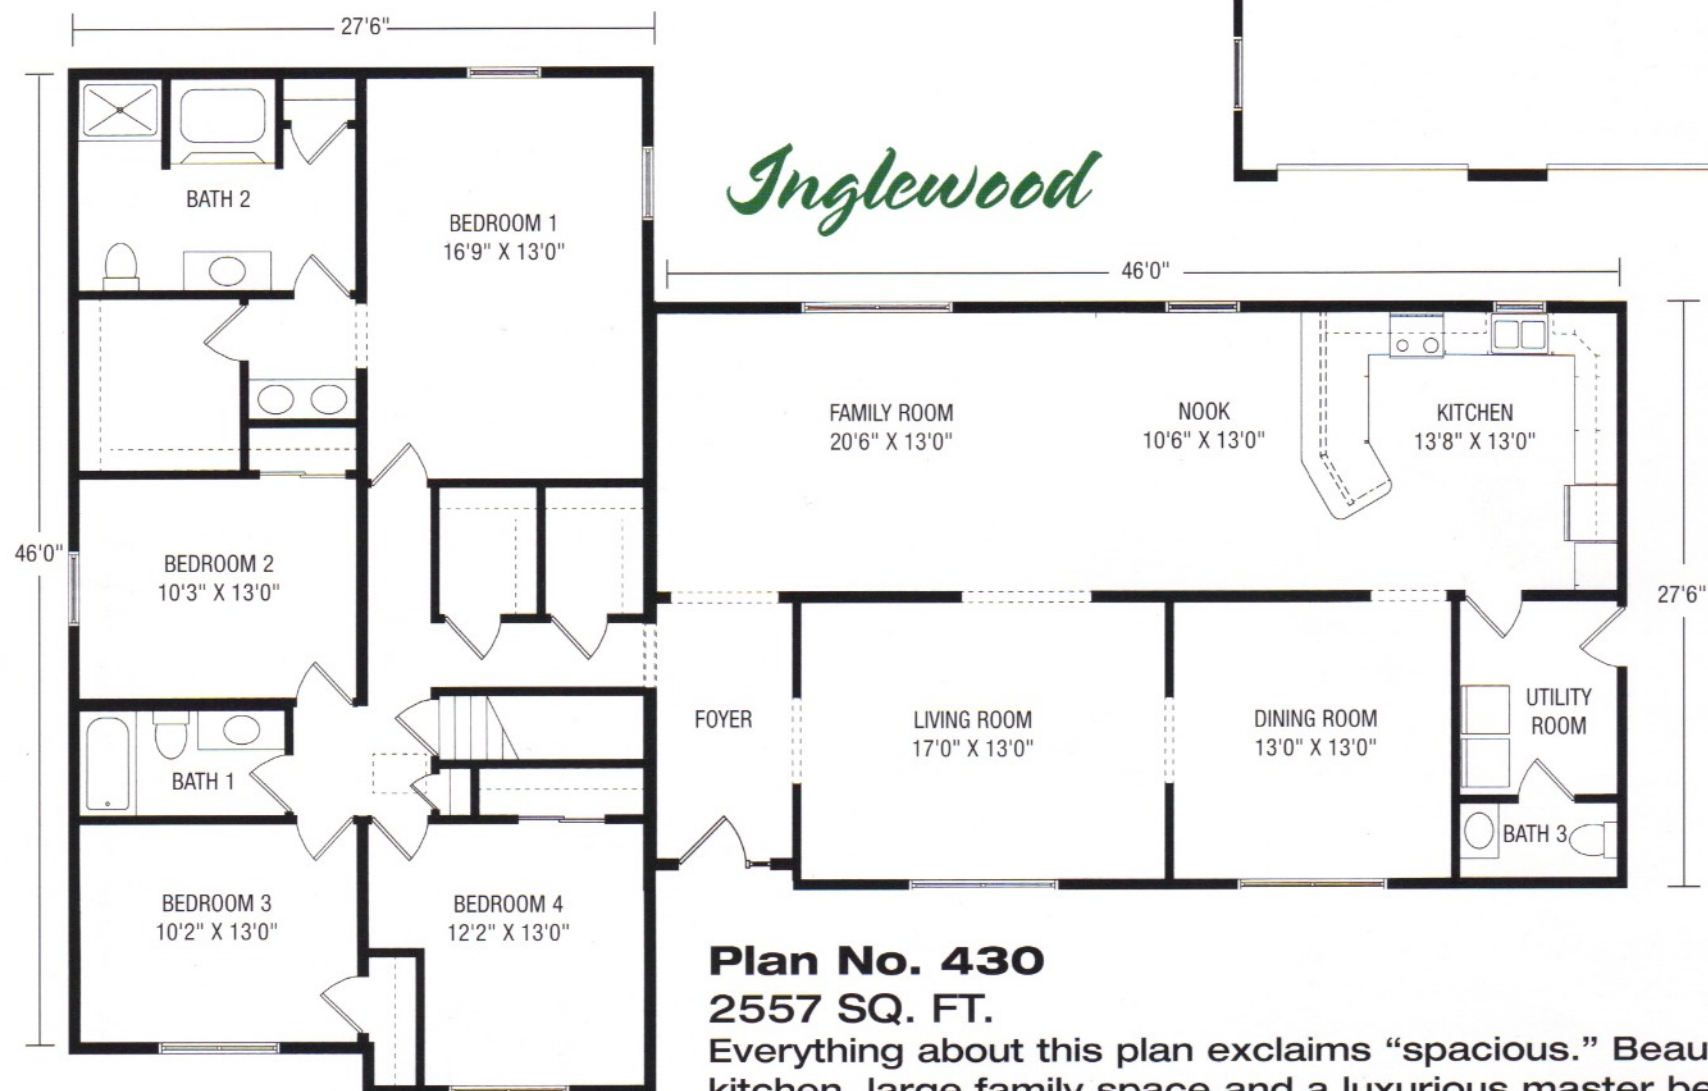

Wide open spaces in the living area of this home encourage family togetherness. Large master bedroom with walk-in closet makes this plan a wonderful design in a compact package.

Plan No. 420

1802 SQ. FT.

Convenience is the key with this plan. Centrally located laundry, smooth traffic flow and attached garage make this an outstanding plan for any family. The formal foyer enters into a spacious living area.

Plan No. 430

2557 SQ. FT.

Everything about this plan exclaims "spacious." Beautiful kitchen, large family space and a luxurious master bedroom and bath make this an awesome home. This home provides luxury and convenience for the family who desires "living space" but on one floor.

Plan No. 390

2117 SQ. FT.

Striking elevation makes this ranch house appealing to any eye. Features three large bedrooms each with walk-in closets, spacious master bedroom suite, roomy kitchen with snack bar and utility room.
